

Members of GIEFA visit Panaftosa – PAHO/WHO

Rio de Janeiro. November, 7— To address the activities of the Inter-American Group for Foot-and-Mouth Disease Eradication (GIEFA) in priority areas, the president of the group, Phil Bradshaw, and Drs. Jorge Leon and Cesar Orosco visited Panaftosa on November, 6 -7.

At the meeting were presented and discussed the results of the mission of GIEFA in Ecuador and Venezuela and the IDB (Inter-American Development Bank) report on the mission in Bolivia as well as work with APHIS / USDA in Venezuela and Bolivia.
